Аннотация

This story is about how a child can overcome illness thanks to love, support, care, faith of family and true friends.

Ellen Dewind
Mimi Monkey and
The Great Mountain

A ray of bright morning sun shone onto the face of a monkey named Mimi who was sweetly sleeping on a tree. She opened her eye and then immediately squinted.

– Mimi, wake up! – she heard her mother's voice

The monkey opened her eyes and sweetly stretched. Then she got up, ripped juicy green leaves from the branch that she was sleeping on, jumped on another one, where Mum was sitting with Dad and gave her mother the bouquet.

– Thank you, daughter – Mimi’s Mum smiled and ate the leaves.

– Good morning, Mimi! – her Dad exclaimed.

– Good morning! – Mimi climbed onto her Dad's lap and started eating a banana.

– Where are you going with your friends today? – Mimi’s Mum asked.

– We’re going on a hike to the Great Mountain! – the monkey answered, pointing towards the volcano.

– Be careful, – Dad warned – The Great Mountain is still sleeping, but it can wake up at any moment and start erupting red burning water. That happened many years ago.

– Don’t worry, Dad, – Mimi answered – we will go there and come right back. I'll be home for dinner.

Mum and Dad kissed Mimi and the monkey headed to the tree where her friends lived. Clinging to lianas, she was jumping skillfully from branch to branch.

– Look, Kiki! Mimi is rushing towards us! – the monkey Lily happily exclaimed to her brother. – Hello, Mimi!

– Hi! Well, are you ready for a trip to The Great Mountain? – Mimi shouted, swinging on liana.

– Hi! Of course, let's go! – said Kiki, bouncing with impatience.

– Let’s go! – shouted Lily, eating a ripe mango.

So three monkeys went to The Great Mountain. While jumping from tree to tree, they were telling each other various stories, making jokes and laughing. They always had fun together.

When they came out of the forest, the friends jumped to the ground. They could already see the ancient volcano. Monkeys had been dreaming for a long time to get to this unusual royal mountain and look at it closer.
